Your application will be placed as top priority and we will contact you as soon as space becomes available. Please bring in or fax application to 772-589-8785. Also a picture is always very helpful. During your wait for room into our facility, your pet will be placed in our adoption book so that potential adopters can view him or her while still in your care. These potential adopters will be given your information to contact you directly. It is your sole responsibility to screen and feel comfortable with said new home. We understand this is a difficult decision for you and thank you for supporting H.A.L.O. Rescue. Again, we will contact you when we can help you in your situation.
